

# Electrical monitoring system helps you protect your business

Nationwide is pleased to introduce you to PrevTech, an innovative electrical monitoring system that offers peace of mind to farmers, ranchers, and agribusinesses with continuous real-time monitoring and a technical team that provides support when a situation is detected.

## The PrevTech difference

- Tailored solutions for small family farms to large agribusinesses
- Real-time 24/7 monitoring that detects:
  - Electrical faults and anomalies
  - Overheating of electrical panels
  - Potential machinery breakdowns
- Expert support available when a situation is detected
- Learn more at the [PrevTech website](#)

## Nationwide helps you save

Nationwide is your partner in delivering ag technology that enables customers to manage and mitigate risk.

As a Nationwide customer, you get access to exclusive Nationwide preferred pricing from PrevTech.
